## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our vision for Bryson Middle School is to be a community of learners that inspires and supports academic excellence and social responsibility. We have exemplified that vision in many ways during this past school year. Two years ago our staff received a grant to develop and implement Professional Learning Communities in our school. We have continued our work in this area and have focused our learning communities on the topics of increasing the student engagement and academic rigor in our classrooms. We also participated in the Making Middle Grades Work initiative this past year. As a part of this initiative, every teacher on our staff has participated on a focus team to develop and implement strategies to increase student engagement and academic rigor. We feel very good about the direction we are headed and look forward to very positive performance results.

The 2010-2011 school year was very positive. Bryson Middle School Students gained recognitions in many areas. Some of these accomplishments include: Junior Beta Club Winners from State Competitions-3rd Social Studies Quiz Bowl, Runner-up with T-shirts, 1st Place Tower of Power, Best in Banner BMS Robotics Team – 2nd Place in First Lego League in Region 27 State Honors Choir Participants 28 Participants in All-County Spring Sing Excellent Ratings in 7th/8th orchestra at SC Concert Festival

We also celebrated the addition of several new club offerings. They are as follows: Junior Forensic League, Club R.O.A.R ( Reach Out And Read ), and Battle of the Brains.

We continued to support a strong athletic program and also offered an intramural program for students.

We feel we have great students, parents, and teachers, as well as very solid community support. We will continue to focus our efforts on helping each student reach his or her potential.
